WINDERMERE GROWS THEIR RANCHO MIRAGE FAMILY

Rancho Mirage, CA – October 20, 2012 – This week, Windermere Real Estate is pleased to welcome Roxanne Bauer, Donna Malouf, and Lee Sattley to their Rancho Mirage office at 71691 Highway 111.

Roxanne Bauer joins Windermere as the newest member of the Marilyn Bauer Team. Marilyn (her mother) is thrilled to have her daughter joining her team. “She was mentored by circumstance, you might say,” shared Marilyn. “But I found it most refreshing that she’s come into real estate based on her own passion and drive for the industry.”

“I love helping people find the right home,” said Roxanne. “I find it to be a most rewarding experience to work with clients and advise them on their real estate goals.”

“Roxanne brings great energy and passion to the Bauer Team,” noted Don Rossignol, Managing Broker for Windermere Real Estate’s Rancho Mirage office. “Known for their community involvement, I expect the addition of Roxanne will boost that team’s sales and productivity even higher than it already is.”

Donna Malouf’s devotion to Southern California and real estate goes back over 30 years. A previous resident of the San Fernando Valley and former salesperson for the Los Angeles Times, Donna moved to the Coachella Valley over eight years ago and enjoys the lifestyle and natural beauty of the desert.

“My parents taught me to own property rather than rent. I learned at an early age, to own a piece of earth is sweeter than anything,” shared Donna.

“Based on Donna’s past sales records, I expect to see great things from her,” said Don Rossignol. “She really has a knack for listening to her clients and meticulously following through on the details of each transaction with the upmost professionalism.”

Lee Sattley arrives at Windermere as the newest associate of the Nancy Jones group. Lee is an experienced Coachella Valley Realtor®, having represented buyers and sellers in a variety of transactions, including 1031 exchanges. Lee is familiar with the local country clubs and gated communities throughout the desert resort cities.

“Nancy and I have a long-standing working relationship in this industry,” noted Lee. “I have come onboard as an associate with her group to handle investor relations and some of the business and finance aspects of our transactions.”

“Lee will be another feather in the cap of the Nancy Jones Group,” said Don Rossignol. “The experience level of that group is phenomenal. The Jones group really understands the dynamics of property marketing and capturing the best prospective buyers from their clients’ listings.”

“We are pleased to continue to attract some of the top talent in the industry,” said Bob Deville, co-owner of Windermere Real Estate Southern California. “There is no doubt that the Bauer Team and the Jones Group will benefit from the addition of Roxanne and Lee, respectively. We look for great things out of Donna, too. We welcome all of them to our family of real estate professionals.”
