The Cindy Bistany Team Joins Windermere

Windermere Real Estate welcomes Cindy Bistany and Lynn-z Bailey to its newest Laguna Niguel office, located at 27611 La Paz Road, Suite D. With over 40 years of collective real estate experience, this formidable mother-daughter team brings a host of talent to Windermere. Cindy, a Southern California native, has owned her own real estate company as well as Manhattan Mortgage of Antelope Valley. She is certified in Relocation, Short Sales, and HAFA (Home Affordable Foreclosure Alternatives), giving her a keen insight into today's short sales/pre-foreclosure market. Lynn-z adds her 7 years experience as an escrow officer to the partnership.

When Cindy is asked what attracted her to a career in real estate, she recalls, "I bought my first home before I was 18 years old. I loved it, loved the experience and the feelings that came with that purchase. I realized this was something I really enjoyed doing. I still enjoy it." And she does it very well. In last year's tenuous real estate market, the Cindy Bistany Team closed an impressive 62 transactions. She credits her team's success with a number of things, especially her accessibility. Her clients know she is always there for them.

Cindy applies her boundless energy and enthusiasm to everything she does...in just one day, she climbed to the top of Mt. Whitney, the highest piece of real estate in the contiguous United States. That kind of drive is illustrated perfectly in her slogan: "I Never Quit." For more information, please visit www.WindermereSoCal.com.
